**Principles of Economics (11th Edition)** Karl E. Case, Ray C. Fair, Sharon E. Oster

Intended primarily for Principles of Economics courses, this text also provides practical content to current and aspiring industry professionals.

;

Reviewers tell us that Case/Fair/Oster is one of the all-time bestselling POE texts because they trust it to be clear, thorough and complete. Case/Fair/Oster readers also come away with a basic understanding of how market economies function, an appreciation for the things they do well, and a sense of things they do poorly. Readers begin to learn the art and science of economic thinking and begin to look at some policy and even personal decisions in a different way.
