Addressing a key skill in reading, writing, and speaking, this comprehensive book is grounded in cutting-edge research on vocabulary development. It presents evidence-based instructional approaches for at-risk students, including English language learners and those with learning difficulties. Coverage ranges from storybook reading interventions for preschoolers to direct instruction and independent word-learning strategies for older students. Guidance is provided on using word lists effectively and understanding how word features influence learning. The book also reviews available vocabulary assessment tools and describes how to implement them in a response-to-intervention framework.
