Offering the latest information on crisis intervention and time-limited treatment strategies, this practical sourcebook will equip practitioners with the knowledge to respond and deal effectively with individuals in crisis.

Each chapter presents state-of-the-art information about high-risk crisis intervention, and includes detailed case illustrations and brief treatment techniques. Based on the seven-stage intervention model, these guidelines thoroughly address the specifics of work with sexual assault survivors, adolescents who attempt suicide, family members in crisis, people with AIDS and their families, alcoholics, unemployed people, stalking victims, and disaster and terrorist survivors. The book concludes with explora
