Currency Zoe Zolbrod

Piv and Robin are not such an unlikely match. Piv, a small-time hustler in Thailand, and Robin, a twenty-something backpacker from the United States, have always dreamed big dreams. What begins as a traveler's affair in Sukhothai quickly intensifies, and the young lovers envision an idyllic future together, traveling the world. Their plans are thwarted in Bangkok, however, when Robin runs out of money, her credit is denied, and she may have to leave Asia and Piv behind. Desperate, Piv turns to Abu, a charismatic businessman acquaintance, for help. Thus begins Piv and Robin's foray into exotic animal smuggling. Soon they find themselves amid an international crime ring that may have even darker underworld ties stretching from Kenya to Russia. Under the scrutiny of the traffickers who employ them, with investigators hot on t heir trail and idealistic dreams unraveling fast, Piv and Robin must face the consequences of their individual struggles for identity, as well as the cost of their mutual desires.

From reader reviews:

Megan Rivera:

The book Currency make you feel enjoy for your spare time. You can utilize to make your capable considerably more increase. Book can being your best friend when you getting stress or having big problem using your subject. If you can make examining a book Currency for being your habit, you can get much more advantages, like add your capable, increase your knowledge about a number of or all subjects. You can know everything if you like available and read a guide Currency. Kinds of book are a lot of. It means that, science reserve or encyclopedia or other individuals. So, how do you think about this publication?

Frances Barrett:

The reason why? Because this Currency is an unordinary book that the inside of the guide waiting for you to snap the idea but latter it will surprise you with the secret that inside. Reading this book beside it was fantastic author who also write the book in such remarkable way makes the content inside of easier to understand, entertaining technique but still convey the meaning entirely. So, it is good for you because of not hesitating having this anymore or you going to regret it. This book will give you a lot of advantages than the other book have got such as help improving your expertise and your critical thinking technique. So, still want to hold up having that book? If I were you I will go to the e-book store hurriedly.

Michelle Oquinn:

Do you like reading a e-book? Confuse to looking for your preferred book? Or your book seemed to be rare? Why so many question for the book? But any kind of people feel that they enjoy to get reading. Some people likes reading, not only science book but in addition novel and Currency or even others sources were given understanding for you. After you know how the good a book, you feel would like to read more and more. Science guide was created for teacher or even students especially. Those ebooks are helping them to put their knowledge. In additional case, beside science reserve, any other book likes Currency to make your spare time a lot more colorful. Many types of book like this one.

Debbie Gray:

Reading a publication make you to get more knowledge from that. You can take knowledge and information from your book. Book is prepared or printed or illustrated from each source which filled update of news. With this modern era like now, many ways to get information are available for you. From media social such as newspaper, magazines, science reserve, encyclopedia, reference book, story and comic. You can add your knowledge by that book. Are you hip to spend your spare time to open your book? Or just seeking the Currency when you essential it?
