Life is a Beautiful Thing (Book Two) (Volume 2) Harmon Cooper

Hallucinatory cyberpunk. Meta sci-fi satire. The future is futile. 2083. Rinchi becomes a MercSecure representative and is given her first big assignment, the assassination of a Mexican drug kingpin. On the run from the Federal Corporate Government, Meme and Yeschi make their way to Tokyo, Japan. In an attempt to protect Meme, Yeschi meets with a weapons dealer named Hajime, who offers her more than she bargained for. The hunt is on. Part techno thriller, part dystopian science fiction, Life is a Beautiful Thing is a series that questions what it means to be human; a collection of novels that offers a shocking glimpse into a dark future fueled by corporate deceit and high-end intoxicants.
