Native Voices is a collection of prayers, sayings, cultural expressions, and philosophy of life by Native American icons. Each saying has a spiritual message and addresses the needs of the human soul. God is an integral part of Native American's way of life. Through the journey of life we all need strength to continue the walk in harmony with all things. The intent of this book is nothing more than to help the reader along the journey through the wisdom of elders who have already walked the path we currently wander. It is the fervent prayer of the author that through these sayings the reader will have a closer walk with his creator and find a peace within the soul that can only be given by the Great Mystery.
