The Tao Te Ching (???), is a fundamental text for both philosophical and religious Taoism, and strongly influenced other schools, such as Legalism, Confucianism and Chinese Buddhism, which when first introduced into China was largely interpreted through the use of Taoist words and concepts. Many Chinese artists, including poets, painters, calligraphers, and even gardeners have used the Tao Te Ching as a source of inspiration. Its influence has also spread widely outside East Asia, and is amongst the most translated works in world literature.
