The Big Ditch Derek Miller

Take a trip with me to Panama to witness one of the greatest engineering feats known to man. The Big Ditch or Panama Canal has often been referred to as the 8th wonder of the world.

The Panama Canal officially opened for business on August 15, 1914; forever changing the face of global trade and military power; as well as the role of the United States on the world stage.

The region is also rich in culture and wildlife. Absorb like a sponge the lifestyle, customs, and traditions of the Embera Indians. This story will give you a snapshot of the life and times of a day spent in the Panama Canal Zone.
