Daughters of the Faith SET #2 (four books) (Daughters of the Faith Series) Wendy G Lawton

This package (set 2) includes four books from the *Daughters of Faith* series: *Almost Home*, *The Tinker's Daughter*, *Shadow of His Hand*, and *The Captive Princess*.

The Daughters of the Faith series, which has sold more than 120,000 copies, is unique to other biographies for children in that the stories are not about the whole lives of significant women in history; they are about the *childhood* of these women, inspiring young readers to make a real difference even in their youth.

Almost Home is a story describing pilgrims' journey to America and God's providence and provision in their journey, focusing specifically on several young girls: Mary Chilton, Constance Hopkins, and Elizabeth Tilley.

The Tinker's Daughter is about the only child of his that John Bunyan ever mentioned in his writing: his daughter Mary. Mary was born blind but developed a fierce determination for independence and proved she was not hindered by her blindness.

Shadow of His Hand is an inspirational young adult historical fiction book based on the real-life story of Anita Dittman, a Holocaust survivor. It follows her struggle against Nazi persecution and her growth in her relationship with God through the worst of times.

The Captive Princess is based on the true story of Pocahontas' early life, and recounts how she befriended and saved an English settler.
