Were you looking for the book with access to MyMathLab? Buy **Statistics for Business and Economics: Global Edition with MyMathLab access card (ISBN 9780273767176)** and save 40%. For courses in Business Statistics. A classic text for accuracy and statistical precision. **Statistics for Business and Economics** enables students to conduct serious analysis of applied problems rather than running simple "canned" applications. This text is also at a mathematically higher level than most business statistics texts and provides students with the knowledge they need to become stronger analysts for future managerial positions. The eighth edition of this book has been revised and updated to provide students with improved problem contexts for learning how statistical methods can improve their analysis and understanding of business and economics.
