**What if you got away from it all -- and then it all got away from you?**

When her husband gets a new job, Marissa Price leaves the island of Manhattan for the island of Hawaii. Paradise seems like the perfect place to find herself, save her marriage, and reconnect with her daughter. But Marissa discovers her new life is less about beaches and beautiful sunsets and more about cows and lava flows. Their new "home" is a fixer-upper. But what most needs fixing-- her marriage -- is the first thing to crumble when her husband announces he wants time apart to find himself. Pulled in opposite directions, Marissa is faced with the most important decision of her life -- a choice that will define who she is, what she wants, and where her happiness lies.
