I love cake. Wait, wait, let me start again.... My Boss is an a\*\*hole but mind numbingly gorgeous. That didn't sound right either. Scratch this (note to author – do not put this in the blurb).

My name is Morgana Drake, I write a blog. You may have heard of it, The Payne in the Blog (same as the title of this book, clever huh!). No, oh well, you will trust me! I may just be Mr. Henrik Payne's assistant now, but soon I will be running the company.

How do I know? I can feel it in my bones. There is only one problem, my boss. They don't just call him the Payne for nothing. He's a jerk and I hate him! Then why do I keep fantasizing about him? Seriously, I think I need help.

Anyway, maybe if you read this you can offer some advice to help me with my dilemma. This little novella is a compilation of my blog posts to date. I am continuing to write posts, so check out my blog to find out what is happening now: <http://bit.ly/13527bb>

Also, the whole reason the author, Elizabeth Lynx, is making this novella is because she is writing my story. It will be called Rules of Payne: <http://bit.ly/1Ckl6es> (Wanted her to call it Rules of Drake, but she wouldn't budge. Author's huh!). That's right, I'm sort of important. It's just a matter of time until everyone knows who I am!
