Real agilists don't weigh themselves down with libraries of books, they keep their important information handy with them at all times. Jeff and Tim pack over two decades of experience coaching and doing agile into *Agile in a Flash*, a unique deck of index cards that fit neatly in your pocket and tack easily onto the wall. *Agile in a Flash* cards run the gamut of agile, covering customer, planning, team, and developer concepts to help you succeed on agile projects. You can use cards from the deck in many ways: as references, reminders, teaching tools, and conversation pieces. Why not get sets for your entire team or organization?

This comprehensive set of cards is an indispensable resource for agile teams. The deck of *Agile in a Flash* cards teaches leadership, teamwork, clean programming, agile approaches to problem solving, and tips for coaching agile teams. Team members can use the cards as reference material, ice breakers for conversations, reminders (taped to a wall or monitor), and sources of useful tips and hard-won wisdom. The cards are:

Bite-sized! Read one practice or aspect at a time in a couple of minutes.

Smart! Each card has years of practical experience behind it.

Portable! Cards fit easily in your pocket or backpack.

An indispensable tool for any agile team, and a must-have for every agile coach or Scrum Master.

The *Agile in a Flash* deck is broken into four areas: planning, team, coding, and agile concepts. The front of each card is a quick list - a summary of the things you want to know and remember. The back provides further detail on each of the bullet points, and offers sage nuggets of knowledge based on extensive professional experience. Tape the cards to your wall, stick them on your monitor, and get agile fast.
