Jaimie: Fire & Ice (The Wilde Sisters) Sandra Marton

Jaimie Wilde comes from a family of risk-takers. Maybe that's why Jaimie doesn't believe in taking risks. She's a logical, practical woman. Zacharias Castelianos has taken risks all his life. Ex-Special Ops Marine, ex-government operative, Zach lives for challenge. He's fearless. Then he meets Jaimie. A power blackout strands them in his Manhattan penthouse, fifty stories above the city. Jaimie is there by mistake. She's an unwanted guest and Zach isn't in the mood for company. Until she's in his arms. They have one amazing night together, but when morning comes, Jaimie is gone. Zach tells himself he's over her. Jaimie tells herself she's over him. They're both lying to themselves and they're going to discover that the hard way, when Jaimie's life is in danger and only Zach can protect her. One problem. Is Zach only protecting Jaimie from the stalker who is pursuing her... or is he also protecting her from the hot passion that burns between them and quickly turns to unquenchable flame?
