The Palestinian Arab In/Outsiders: Media and Conflict in Israel Mustafa Kabha, Dan Caspi

Why has the Israeli government tried to control the Arab media in Israel? What was the purpose of this and how has the Arabic press begun to liberate itself? The Palestinian Arab In/Outsiders offers an integrated historical-sociological study of the Palestinian press within Israeli society, which thus serves as a guide to the complex relationship between the two communities in Israel. This ground-breaking book is a comprehensive and historical overview of the Arab-language press in Israel, identifying the main mechanisms through which the press restores the Palestinian identity of the Arab minority in Israel. Opening the way for further study, the book provides extensive foundations for a topic that has previously been ignored and excluded, or mentioned only as secondary to the socio-political discussion of the history of Arab society in Israel.
