Visiting Faythander is a nasty business. Forget the fairies and unicorns, most people come back with lost memories and mental problems. Olive Kennedy knows. She's the therapist who treats patients suffering from Faythander's side effects. Despite her empty bank account, she takes pride in her job as Houston's only Fairy World medical doctor. She's never failed to cure a client—until now.

Traveling back to Faythander wasn't on Olive's to-do list. But she has no choice. The fate of both Earth and Fairy depends on her ability to stop an ancient being called the Dreamthief.
