## **Food Service Management: How to Succeed in the High-Risk Restaurant Business: By Someone Who Did Bill Wentz**

Many of us have endured a stint in food service, whether it was our first venture into the working world or served as a part-time job strictly for extra income. For the majority of us, there was never any intention of pursuing it as a career. However, the fast pace and interaction with a variety of people delights some, and they develop an enthusiastic attitude toward the business. These people often understand the sound fundamentals of food preparation, appreciate the value of personal service, and possess excellent people skills. But there is much more to the world of food service and food service management.

This book reveals all the hidden facets of this fast-paced business and show you how to succeed as a food service manager. The author, Bill Wentz, speaks from experience, making his advice that much more valuable. Wentz truly understands the industry and shares the priceless experiences he had and lessons he learned throughout his career.

In this book, you will learn if a food service career is right for you, the many opportunities available in the industry, and where to go for the best training. Food service managers will learn how to predict food costs, how to achieve profit goals, how to conduct recipe cost analysis, and how to realistically price a menu. In addition, this book discusses labor costs and controls, profit and loss statements, accounting systems, inventory, sanitation, and effective communication. Furthermore, Wentz shares his philosophies regarding ethics, hospitality, and performance.

This book will show you how to develop and nurture your relationships with customers and how to keep them coming back to your establishment time after time, as well as how to be an effective manager, how to hire and train employees, how to get results, and how to further your success. The topics of proper kitchen design and layout, time management, and food quality are also covered in this unique book.
