Rabbi, Rabbi Andrew Kane

Descending from a long line of revered rabbis, Yakov is expected to follow in his father's footsteps as the leader of an ultra-Orthodox community in Brooklyn. But for Yakov, who questions his faith from an early age, becoming a rabbi is more an obligation than a calling. One summer, he discovers love in Rebecca, a young woman who challenges both his beliefs and his doubts. All too quickly, a family secret tears them apart and their lives diverge.

Confused and curious, Yakov pursues a secular education alongside his rabbinical training. A chance encounter reunites him with Rebecca, who he learns is also studying to become a rabbi. His relationship with her blooms as he and his father continue to drift. But what will become of his relationship with God?

This 20th anniversary re-release of *Rabbi, Rabbi*, Kane's debut novel, is a masterfully written, deeply engrossing portrait of modern American Judaism. Now more than ever, Kane's intimate prose will move any reader who has ever struggled with the complexities of faith, family, love, and personal identity.

From reader reviews:

Darrell Fowler:

Book is actually written, printed, or descriptive for everything. You can realize everything you want by a guide. Book has a different type. As you may know that book is important matter to bring us around the world. Beside that you can your reading ability was fluently. A reserve Rabbi, Rabbi will make you to possibly be smarter. You can feel a lot more confidence if you can know about almost everything. But some of you think that will open or reading a book make you bored. It's not make you fun. Why they could be thought like that? Have you in search of best book or ideal book with you?

Mary Richie:

People live in this new morning of lifestyle always attempt to and must have the time or they will get large amount of stress from both daily life and work. So , when we ask do people have extra time, we will say absolutely indeed. People is human not really a huge robot. Then we request again, what kind of activity are you experiencing when the spare time coming to you actually of course your answer will unlimited right. Then do you ever try this one, reading guides. It can be your alternative in spending your spare time, the particular book you have read is actually Rabbi, Rabbi.

Michael Banks:

This Rabbi, Rabbi is great book for you because the content which can be full of information for you who all always deal with world and still have to make decision every minute. This book reveal it details accurately using great plan word or we can say no rambling sentences within it. So if you are read the idea hurriedly you can have whole details in it. Doesn't mean it only gives you straight forward sentences but challenging core information with attractive delivering sentences. Having Rabbi, Rabbi in your hand like keeping the world in your arm, data in it is not ridiculous just one. We can say that no reserve that offer you world with ten or fifteen small right but this book already do that. So , this can be good reading book. Heya Mr. and Mrs. active do you still doubt that will?

Daniel Hutchison:

A lot of publication has printed but it differs. You can get it by internet on social media. You can choose the very best book for you, science, comedy, novel, or whatever through searching from it. It is identified as of book Rabbi, Rabbi. You can add your knowledge by it. Without leaving behind the printed book, it could possibly add your knowledge and make an individual happier to read. It is most significant that, you must aware about publication. It can bring you from one location to other place.
