Readings in American Politics: Analysis and Perspectives

Readings in American Politics: Analysis and Perspectives

A contemporary reader with an analytical approach to American politics.

Readings in American Politics: Analysis and Perspectives introduces students to the political science behind the information in their textbook. In addition to the foundational documents and classic works that have shaped the field of American politics, Ken Kollman presents recent scholarship and readings that analyze current policy issues.

Each selection has been carefully edited with introductory students in mind, and a headnote accompanies each reading to provide context and highlight the key points.
