Dr. Charles Stanley's new series of Bible study guides feature insights and wisdom of this beloved pastor and author. Small groups and individuals who want a Bible study that's spiritually sound and practical will find a wealth of ideas to help them understand and apply the Scriptures to the real world. Each title takes a unique fourfold approach to get the most out of Bible study time - emphasizing personal identification with the Scripture passage, recognition of your emotional response, reflection of the passage's meaning and application, and taking steps to apply what's been learned. This is a sound way to explore the Word of God.
