Susan Ricci ARNP MSN MEd

Essentials of Maternity, Newborn, and Women's Health Nursing Susan Ricci ARNP MSN MEd

Susan Ricci's Essentials of Maternity, Newborn, and Women's Health Nursing helps busy students learn what they need to pass the NCLEX-RN and safely practice maternity nursing. Using a nursing process focus, the author helps students go from concept to application by building on previously mastered knowledge. Content covers a broad scope of topics emphasizing common issues to maternity-specific information. Also included are 'global nursing perspectives' and AWHONN guidelines, giving students a broader perspective for practice. With a focus on allowing students to apply key concepts, the 4th edition unfolding case studies are being added and a maternity video series being included with the text resources.
