KJV New Cambridge Paragraph Bible with the Apocrypha: Burgundy Hardcover Edition

The standard editions of the 1611 King James Bible (or Authorised Version) currently available give, with little variation, the text as established by the Oxford edition of 1769. They give the reader, therefore, a seventeenth-century text in mid-eighteenth century clothes - clothes which are neither original nor modern. In this new edition of the King James Version the text has been collated with the translators' original work in order to give the reader as closely as possible the exact text on which the translators decided. It has also been given consistent modern spelling and presentation in order to make it easier to read and study than standard editions. The text is presented in paragraph form, with marginal notes. The type is 10/12.5 Swift.
