No Easy Walk to Freedom (Penguin Modern Classics) Nelson Mandela

'There is no easy walk to freedom anywhere and many of us will have to pass through the valley of the shadow of death again and again before we reach the mountain tops of our desires.' After twenty-seven years in prison, Nelson Mandela finally walked free in February 1990. This collection of his articles, speeches, letters from underground, and the transcripts from his trials vividly demonstrates the charisma and determination of a towering figure in the struggle for racial equality in South Africa. Now in a new edition, No Easy Walk to Freedom is both a vital historical document and a chronicle of the life and thoughts of one of the greatest campaigners for freedom the world has known.
