After a Near Death Experience one's life can truly change. It is as if an invisible doorway has been opened, a threshold crossed. The lessons brought back to this reality from those types of experiences make for valuable tools in self-growth, learning and sharing the precious gifts given. For Deirdre part of that transformation to that self-growth was truly understanding and experiencing just how many ways God uses to reach us to pass along love and guidance. The words within this book are those that were whispered to Deirdre over the past five years of allowing herself to open up within to let God guide her hand and pen. This short easy to read book can be opened to any page and can be used as a tool for daily guidance or thought for the day. The "Whispers" are short sweet words which can be heard between the heartbeats of the soul. These whispers stand as guidepost for us all as we set a course to find our way back home. "In the silence of the moment can be heard everything...and in the silence of the moment can be heard nothing at all. Be Still and hear both"
