Excerpt

I paced through to the kitchen where I could hear sounds. A plastic bag from a sex shop lay on the floor near the front door. Just the thought of what might be inside tightened my nipples into tingling buds and sent a shiver of lust through me, but I didn't peek. I wanted it to be a surprise. Determined to be bold and maintain my attitude from last night, I strode through the kitchen door, hips swinging, scarlet lips pouting. And halted with a shocked gasp.

Simon wasn't alone. His older half-brother George sat on a stool at the breakfast bar, sipping from a glass of whiskey. At the sight of me, he spluttered and wiped the back of his hand across his mouth. "Fuck me!" George said in his low, growly voice as his gaze cruised over me.

Oh, yes please, you gorgeous, fuckable man. I had always lusted after George. Whereas Simon was a blue-eyed blonde, George was dark, thick black hair, sinfully sexy brown eyes and a permanent shadow of stubble on his jaw. He was also built, bulging with muscle and attitude. The sort of guy you didn't pick a fight with. He was a cop and he worked undercover most of the time. We only got to see him a few times a year. Simon's mother had George with her first husband and he was as different from Simon as night was from day.

"Jesus, George, I'm sorry. I didn't know you were here," I said, pretending to be shy, when really I wanted to rub myself all over him. I put a finger up to my lips, feigning coyness, and fluttered my eyelashes as I backed up toward the door. I took my time so he got an eyeful, aware that the transparent triangle of my thong did little to hide my smoothly shaved pussy.
