## **Jesus Christ, the World Wide Wounded Wanderer** Darell D. Thorpe

An irresistible adventure that uncovers how and why the early Christians' doctrines of Christ's pilgrimages throughout prior & post afterlife realms, and his sojourn unto the ends of the earth, were masked under many guises in later Christian lore. Like a Detective story, this book follows the tracks and blood trails made by Christ as he passes over into numerous nations around the world. One of the many guises unmasked is Santa Claus. His annual frosty intercontinental flights around this globe are traced back through the layers of time to the early Christians' doctrines of Christ's overseas treks all over the earth. Where did Christ go after preaching to, & raising the dead from the underworld? Did Christ preach the gospel throughout the ancient Americas? Did he then pass overseas to the Polynesian islands, Australia, Ireland, England, & Scotland? Then, to Germany, & other European lands? Did he also pass through the lands round about Jerusalem, & other places in the Middle East? Then, down into Africa, up into Asia's India, China, Tibet, Japan, & Russia? Did Christ's cosmic flights take him to other inhabited worlds in the universe too? While tracking down the answers to these, plus other questions, some interesting clues were discovered along the way. Christ's foot steps over the nations are marked by blood trails left by his wounds. Consequently, there are similar types of wounds, marks, & insignias in the palms, wrists, & feet of Christendom's Christs, ancient Mayan deities, Asia's Buddhas, India's Vishnu, & other nations' roaming Redeemers. These things are found in art works, stone shrines, books, manuscripts, & calender systems. They also play an important part in the types & symbols used in the world's mysteries. Also, the mysteries helped form the later guises that masked the Wanderer's identity during his treks. Ultimately, they show that there is only one universal Christ! When early anti-Christians charged that Christ neglected other nations, see how these doctrines, used in the responses of early Christian Apologists, answer ancient & modern critics, as you read "Jesus Christ, The World Wide Wounded Wanderer." (2nd Edition, 2013).
