Take Over Series #3

You think you know me.... You think you know who I am... So, let's get a few things straight.... I don't get involved in relationships. Relationships are for the weak, plus it's leverage for your enemies, of which I have plenty.

But, that's all changed. When a strong willed woman, with the mouth of a sailor walked into my life, wearing nothing, but tiny shorts displaying her beautiful long legs and round ass, I thought I could play with her and maybe get my fix. But, when she spoke, I knew that wasn't going to happen. She's full of life and one scary ass little woman. I knew right away I had to have her and I would do anything to keep her.

She owns my soul. She owns my demons. She owns every single part of me.
