To affect an entire society, we must affect all Seven Mountains of culture, which include business, arts and entertainment, media, government, education, church, and family. Is God calling you to invade the marketplace and to take back these mountains of culture through your leadership and acumen for His kingdom? If so, this is the manual for you! Spiritual warfare is an unavoidable component to take your mountain(s) of influence. In I Chron. 12:32, scripture relates that the 200 chiefs, the men of Issachar, knew the times and seasons and what Israel should do. In this hour, God is again raising up anointed men and women who know how to touch heaven and bring the wisdom from above down to earth and into their organizations, into their leaders lives and into their families. This manual will assist those anointed men and women to fulfill that Kingdom goal. WISE's passion is to see leaders in all areas of society surrounded and protected, loosed from all types of bondages and hindrances and released into their respective destinies. Join Dr. Charles Robinson of WISE Ministries International on a journey into over 100 enterprises of all shapes and sizes to learn what many others have learned - the importance of the partnering of the church with the other mountains to affect change - change that is essential to move you and your organization forward in this critical day and hour.
