International Code Council

2009 International Existing Building Code Commentary is a powerful reference tool that will provide an in-depth understanding of the meanings and implications of the regulations set forth by the 2009 International Existing Building Code (IEBC). Using the same format that has made the International Code Council's Code & Commentary series so effective, the book presents the full text of the code, its tables and figures, and follows each section with an insightful commentary. These commentaries offer a closer look at what the code truly means, including suggestions for successfully applying it, and the consequences of not adhering to it. The end result is a strong reference guide that is a must-have for code officials, engineers, architects, inspectors, plans examiners, and contractors, and anyone interested in advancing their knowledge and use of the 2009 IEBC.
