Chronology of Wars (America at War)

Chronology of Wars (America at War)

Chronology of Wars, Revised Edition discusses the 13 wars examined in the other America at War titles from a chronological perspective. The chronology includes an introduction that calls attention to relevant themes that persist throughout America's wartime past and looks from a different perspective at many of the same subjects covered in the war-specific editions. The historical conflicts of the United States are illuminated in this valuable resource for students, librarians, teachers, and young adults who are interested in American history and military history.
