Hilary Kilpatrick

**Making the Great Book of Songs: Compilation and the Author's Craft in Abû I-Faraj al-Isbahânî's Kitâb al-aghânî (Routledge Studies in Middle Eastern Literatures)** Hilary Kilpatrick

This is the first systematic literary study of one of the masterpieces of classical Arabic literature, the fourth/tenth century *Kitâb al-aghânî* (*The Book of Songs*) by Abû I-Faraj al-Isbahânî. Until now the twenty-four volume *Book of Songs* has been regarded as a rather chaotic but priceless mine of information about classical Arabic music, literature and culture. This book approaches it as a work of literature in its own right, with its own internal logic and coherence. The study also consistently integrates the musical component into the analysis and proposes a reading of the work in which individual anecdotes and poems are related to the wider context, enhancing their meaning.
