#### John Harrison:

Nowadays reading books become more and more than want or need but also turn into a life style. This reading behavior give you lot of advantages. The benefits you got of course the knowledge the rest of the information inside the book in which improve your knowledge and information. The info you get based on what kind of guide you read, if you want attract knowledge just go with schooling books but if you want truly feel happy read one having theme for entertaining like comic or novel. The My Name is Thelma, But I Don't Know Who I Am: A dementia caregivers resource guide and workbook is kind of reserve which is giving the reader erratic experience.

#### George Chadwick:

As a scholar exactly feel bored to help reading. If their teacher asked them to go to the library in order to make summary for some publication, they are complained. Just minor students that has reading's internal or

real their hobby. They just do what the teacher want, like asked to go to the library. They go to right now there but nothing reading significantly. Any students feel that reading through is not important, boring and also can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore this My Name is Thelma, But I Don't Know Who I Am: A dementia caregivers resource guide and workbook can make you really feel more interested to read.
